# REFRESHER TRAINING

**Requirement:** The contractor will provide all cleared employees with security education and training every 12 months.

Description: Refresher training must be conducted to reinforce the information provided during the initial security briefing and will keep cleared employees informed of changes in security regulations and address issues or concerns identified during contractor self-reviews.

## **DOD Annual Security Awareness Refresher**

This interactive eLearning course refreshes students' basic understanding of initial security training requirements outlined in DODM 5200.01 Volume 3, Enclosure 5, the National Industrial Security Program Operating Manual (NISPOM), and other applicable policies and regulations.

## **Insider Threat Training**

Requirement: The designated ITPSO will ensure that contractor program personnel assigned insider threat program responsibilities and all other cleared employees complete training consistent with applicable CSA-provided guidance.

Description: The contractor must provide insider threat awareness training to all cleared employees on an annual basis.

## **Insider Threat Awareness**

This course provides a thorough understanding of how Insider Threat Awareness is an essential component of a comprehensive security program. With a theme of, "If you see something, say something," the course promotes the reporting of suspicious activities observed within the place of duty. Using a few case study scenarios, the course teaches the common indicators which highlight actions and behaviors that can signify an insider threat. The instruction promotes a proactive approach to reporting suspicious activities.
